

JOIN US TENNESSEANS!

We need every Art Loving Tennessean to join us, virtually, on March 9th, 2022 from 10am-11:30 CST for Arts Advocacy Day (FREE to members). Let's amplify our voice and show our Legislators how much we value the arts in Tennessee, our support of the Specialty License Plate program, and grants provided by the Tennessee Arts Commission.

During The General Assembly's legislative session held in Nashville each year, Tennesseans For the Arts holds Arts Advocacy Day. Last year was the first FREE Virtual event which was a huge success, allowing for greater attendance and support. This year will be even better! TFTA has an amazing lineup and we hope to see you there!!!
