

JOIN US TENNESSEANS!

We need every Art Loving Tennessean to join us, virtually, on March 6th, 2024 from 10am-11:30 CST for Arts Advocacy Day (FREE to members). Let's amplify our voice and show our Legislators how much we value the arts in Tennessee, our support of the Specialty License Plate program, and grants provided by the Tennessee Arts Commission.

During The General Assembly's legislative session held in Nashville each year, TN4Arts holds Arts Advocacy Day. The past three years have been virtual which was a huge success, allowing for greater attendance and support. AAD24 will be free and virtual this year to allow more people the chance to participate because **Connecting Matters!** TN4Arts has an amazing lineup and we hope to see you there!!!
